Subject: Heartfelt Appreciation for Your Generosity and Hospitality and valuable exposure on calibration of horizontal and tilted oil storage tanks.

Dear **Mr. S. Ghosh,**

On behalf of **Dr. B. R Ambedkar National Institute of Technology Jalandhar**, I would like to extend my heartfelt gratitude for your warm hospitality and invaluable exposure during our recent visit to **M/S Girish Chandra Ghosh & G.G.S.** from **24th to 26th January 2025**. It was truly an honour to witness the legacy of your esteemed company and to gain first-hand insight into your profound expertise in calibration.

Your generous efforts in sharing knowledge, particularly during the calibration of *Horizontal and tilted Oil Storage Tanks*, were both enriching and enlightening. The detailed guidance and hands-on experience provided by you and your team demonstrated your unwavering commitment to excellence in the calibration industry. The additional provision of relevant manuals further enhanced our learning, and we deeply appreciate the thoughtful efforts you put into ensuring a comprehensive understanding of the subject.

Beyond the professional exposure, we are profoundly grateful for the warm hospitality extended to us at your guest house. Your gracious arrangements and personal attention made our stay comfortable and pleasant, allowing us to feel truly welcomed. The warmth and kindness with which we were received left a lasting impression, and we deeply appreciate your generosity in ensuring that every aspect of our visit was seamless and memorable.

We are truly honoured to have had this opportunity to learn from you and to experience your hospitality. Your dedication to fostering knowledge and growth is truly commendable, and we sincerely look forward to future collaborations and learning experiences.

Once again, please accept our deepest thanks for your **generosity, kindness, and invaluable support.**

Warm regards,

Nayan

Subject: Appreciation for your exemplary hospitality and valuable exposure on calibration of vertical oil storage tank.

Dear Mr. S. Ghosh,

On behalf of *Indian Institute of Technology (Indian School of Mines) Dhanbad*, I would like to extend our heartfelt gratitude to you for the gracious hospitality and invaluable exposure you provided during the recent visit to your company, M/S. Girish Chandra Ghosh & G.G.S., on 21st January 2025. It is with great pleasure that we take this opportunity to formally appreciate your generous support and contribution to our learning journey.

Your company has a remarkable legacy of over 150 years in calibration, and it was truly an honour to experience your expertise firsthand. The knowledge shared by you and your team during the calibration of "Vertical Oil Storage Tanks" was both enriching and enlightening. Your willingness to offer us such an in-depth, hands-on experience speaks volumes about your commitment to the calibration industry and your dedication to fostering learning and growth in the field.

Moreover, your thoughtful provision of relevant manuals further enhanced our understanding, and we greatly appreciate the effort you put into ensuring that we received a comprehensive overview of the calibration processes.

We are genuinely grateful for your time, knowledge, and effort. Your hospitality and the warm reception extended to us made our visit not only educational but also memorable. We look forward to any future opportunities for collaboration and learning, and we are honoured to acknowledge your continued contribution to the industry.

Once again, thank you for your generosity and support.

Warm regards,
