BENGAL'S HERITAGE COMPANY

Supriyo Ghosh

Managing partner

Dear Esteemed Customer,

With heartfelt wishes for your continued success, we are delighted to announce the commemoration of a significant milestone in our journey: **M/s Girish Chandra Ghosh & GGS** proudly celebrates 150 years of establishment. Over this remarkable span of time, our company has navigated numerous challenges while achieving noteworthy milestones that have earned recognition from various esteemed media organizations nationwide. We are pleased to present this collection of media coverage, showcasing our enduring legacy.

Allow us to introduce ourselves as leaders in the calibration of liquid storage tanks and related services. Our expertise lies in executing calibration and re-calibration tasks for liquid storage tanks in compliance with relevant Indian standard specifications. We meticulously prepare computerized calibration charts, ensuring adherence to the statutory obligations mandated by the Legal Metrology Department of State Governments. These charts not only facilitate the assessment of gains or losses in sale and purchase transactions but also serve as a reliable tool for managing storage and distribution losses effectively.

We have been providing complete solutions related to scale and measure for 150 years and we are the leading company in the country in this field.

Our commitment to excellence extends to our accreditation by the Department of Legal Metrology/CPWD (Government of India), ensuring the validity and accuracy of our calibration charts. Moreover, our services align with the requirements of central excise regulations, offering comprehensive compliance solutions.

With a proven track record of operations in various states including West Bengal, Orissa, Jharkhand, Chhattisgarh, Uttar Pradesh, Bihar, Andhra Pradesh, Haryana, Assam, Gujarat, Madhya Pradesh, Sikkim, and others, we bring a wealth of experience to every project we undertake.

We eagerly anticipate the opportunity to deploy our technical expertise to fulfill your requirements. Customer satisfaction is our foremost priority, and we pledge to deliver prompt and efficient service at all times.

Thank you for considering **M/S Girish Chandra Ghosh & GGS** as your trusted partner.

Warm regards,

SUPRIYO GHOSH

Managing Partner

M/S Girish Chandra Ghosh & GGS

WE HAVE TANK CALIBRATION EXPERTISE

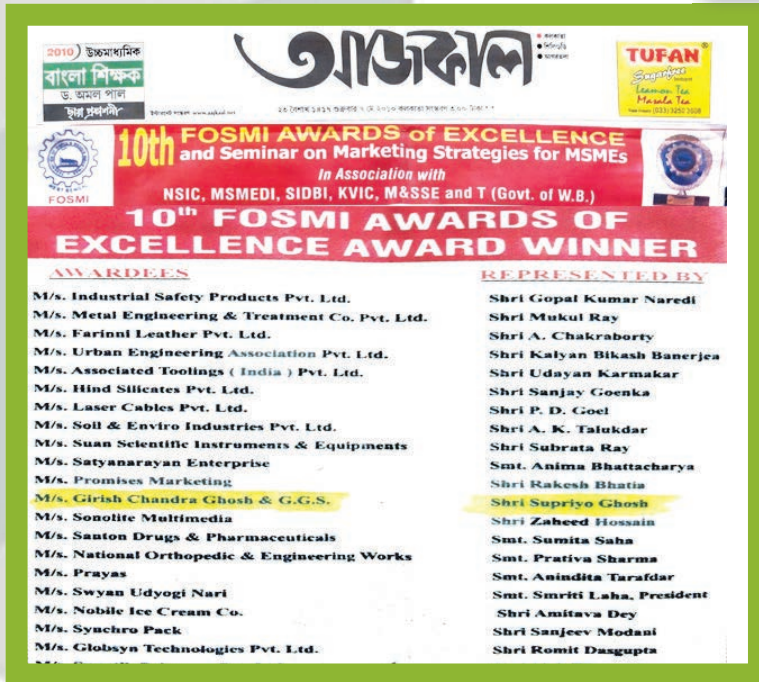

M/s. Girish Chandra Ghosh & G.G.S offers a sophisticated tank calibration service, formulating highly accurate calibration data for tanks of various shapes, sizes and designs. The combination of years of calibration experience with the latest software enables us to provide highly accurate, cost effective tank and sphere calibrations.

Using the latest laser theodolite technology for tank calibration, engineers and technicians are equipped with state-of-the-art measuring devices. The use of EODR (Electro Optical Distance Ranging) and laser scanning offers a quicker, safer, low impact solution for strapping storage vessels.

Tank calibrations are conducted to the exacting requirements of the appropriate international standards published by the International Organization for Standardization (ISO) or by the American Petroleum Institute (API). In addition we can apply our innovative Modern Technology to provide highly accurate calibration data with increased procedural safety.

M/s Girish Chandra Ghosh & G.G.S. is a leader in the physical calibration of all types of vessels such as static storage tanks, demountable tanks and ships including specialized gas tanks.

M/s. Girish Chandra Ghosh & G.G.S. has also developed expertise in the calibration of vertical shore tanks, rigid prismatic tanks, membrane tanks, horizontal cylinders and spherical tanks.

First Define Entrepreneurship

Suprio Ghosh
Managing Partner: Ghosh Chandra Ghosh & GGS

Mr. Suprio Ghosh, had his B. Com. degree from Calcutta University, Post Graduate Diploma in Business Management from Institute of Modern Management, Calcutta and has also successfully completed a certificate course on "MSME in Marketing Management" from MSME CL, Kolkata. He has also received training on Strategic Tank Collaboration from Engineers & other bodies on traditional & modern technology. Their company has a Govt license of Strategic Tank Collaboration and ongoing solutions. He has been a member & chairman of Government Affairs Legal Monitoring Committee in Federation of Small & Medium Industries of West Bengal in 2012-14, Council Member (Director) & Chairman of state-level industry member Development Committee from 2015, the Vice President of Eastern Regional Legal Monitoring Committee (Western Association), ex Joint Secretary (from 2012) and members of other reputed organisations related to the industry.

When interviewed by IBNT, he points out that a major strength of the MSME sector is its potential for greater innovation both in terms of products & processes. That they are important for the national objectives of growth with equity & inclusion.

How Make in India can develop India as a lead manufacturing destination in the world?
The need to foster the global competitiveness of the Indian manufacturing sector is imperative for the country's long term growth. The National Manufacturing Policy is for the most comprehensive and significant policy initiative taken by the Government.

The policy is the first of its kind for the manufacturing sector as it addresses areas of regulation, infrastructure, skill development, technology availability of finance, exit mechanisms and other pertinent factors related to the growth of the sector. The "Make in India" initiative of B.P. Government would certainly highlight India as a lead manufacturing destination as

the Chinese economy slowing down & the world's economic center of gravity has been shifting from west to east, India seems an big opportunity in the industrial sector. It would not be the base of domestic production & reduce import & thus there would be reduced & product manufacturing cost would be reduced also. This would cause attracting others automatically for the ultimate success of the "Make in India" project.

To make "Make in India" successful, what are the immediate steps Government should take to support manufacturing industry?
For the ultimate success of the "Make in India" project

Under the scheme of "Make in India" doing business in India just got easier - new de-learning and deregulation measures are reducing complexity, and significantly increasing speed and transparency.

Government must take some initiatives which are discussed below:

- Creation of appropriate skill sets among rural migrants and the urban poor for inclusive growth.
- An increase in domestic value addition and technological depth in manufacturing.
- Enhancing the global competitiveness of the Indian manufacturing sector.
- Ensuring sustainability of growth, particularly with regard to environment.
- Setting up proper infrastructure.

Beside this the problems of the MSMEs sectors of the country would be solved which are briefly described below:

- Lack of availability of sufficient & timely credit.
- Availability of credit in high interest.

- For availing Credit facility: Requirements of collateral securities.

- Limited access to equity capital.
- Problems in supply to Govt. Dept. & agencies.
- Procurement of raw materials at a competitive cost.
- Problems of storage, designing, packaging & product display.
- Lack of access to global markets.

What is the present status of ease of doing business in India?

Under this scheme of "Make in India" doing business in India just got easier - new de-learning and deregulation measures are reducing complexity, and significantly increasing speed and transparency.

- Process of applying for Industrial License & Industrial

Entrepreneur Memorandum made online on 24x7 basis through eBiz portal.

- Validity of Industrial license extended to three years.
- States asked to introduce self-certification and third party certification under Safety Act.
- Major components of Defence products" list excluded from Industrial Licensing.
- Dual use items having military as well as civilian applications deregulated.

Services of all Central Govt. Departments & Ministries will be integrated with eBiz - a single window IT platform for services by 31 Dec. 2014.

- Process of obtaining environmental clearances made online.
- Following advisories sent to all Departments/State Governments to simplify and rationalize regulatory environment.

• All returns should be filed online through a unified form.

- A checklist of required compliances should be placed on Ministry's/Department's web portal.
- All registers required to be maintained by the business should be replaced with a single electronic register.
- No inspection should be undertaken without the approval of the Head of the Department.
- For all non-risk, non-hazardous businesses a system of self-certification to be introduced.

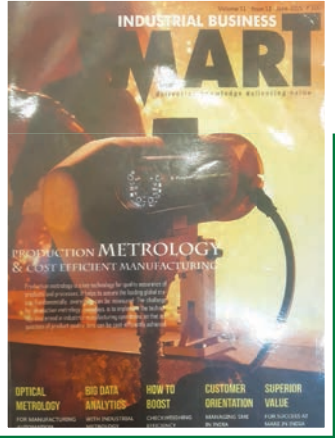

Most importantly, the Make in India program represents an attitudinal shift in how India relates to investors not as a permit issuing authority, but as a true business partner.

- Dedicated teams that will guide and assist first-time investors, from time of arrival.

57th Annual General Meeting of FOSMI

Annual General Meeting of Federation of Small & Medium Enterprises, West Bengal held on 14 September 2018 at 16, Park Street, Kolkata

Annual General meeting and a seminar on 'Start Small Grow Big' were held on 14th of September 2018 at Kolkata.

Programme was inaugurated with lighting of the lamp followed by the welcome address by the FOSMI President Shri Bhattacharya and Shri Pande, Hon'ble Minister-in-Charge, Consumer Affairs and Self Employment, Government of West Bengal who graced the occasion. Chief Guest, besides that Shri Bandyopadhyay IAS, Secretary, Department of Industries, Govt. of West Bengal, participated in the event as Guest of Honour.

besides other distinguished guests and members of Federation and representative from both print and electronic media. Other Chambers of Commerce also attended the

programme.
The President FOSMI in his welcome address emphasized about the FOSMI's close association with the State Government and pledged full support to all government initiatives for growth of State MSMEs. Further, the President also appreciated the available opportunities and support of the State Government for the development of State MSMEs.

The Hon'ble Minister Shri Sadhan Pande praised FOSMI's dedication in serving the MSME sector for years. Shri Pande explained the various measures taken by the State Government and various benefits those are made available for the development of industries in the state. He also emphasised that skill development is very much imperative for registering development particularly for the MSMEs.

The seminar session on 'MSMEs Start Small Grow Big' was moderated by Shri Aloke Mookherjee, Chairman

FOSMI Advisory Board. The panellists were Shri Alapan Bandyopadhyay, IAS, Dr. Suman K. Mukerjee, Director General, The Bhawanipur Education Society College, Dr. Gautam Sengupta, Vice Chancellor, Techno India University and Shri Ashish Agarwal, Chairman Oripplast.

Shri Aloke Mookherjee formally introduced all the panellists and briefly explained about the purpose of the seminar and the importance of MSMEs behind the economic development of the country.

Dr. Mukerjee in his deliberation discussed about the pros and cons of the proposed changed definition of MSMEs and also discussed about the definition of MSME of various countries. In his speech, Dr. Mukerjee explained the basic principles needed now for MSMEs to grow and said, MSMEs are now more concerned about the cost competitiveness, export market intelligence and mainly the protection of MSME to receive from the government. Since, these are the most important requirement of MSMEs, now felt that MSMEs are now not much interested for subsidies.

Shri Agarwal in his speech mainly discussed about the various challenges faced by the MSMEs, like, finance, monitoring of cash flow and problems in getting subsidies

etc. Shri Agarwal expressed that in the present globalisation, there are many essentials like money and time management, customer services etc. These are become very prominent before the MSMEs to handle with and he felt that MSMEs to be fully acquainted with the various requirements of large industries and this would help in turn MSMEs to equip themselves to market their products and grow.

Dr. Sengupta in his turn emphasised about the benefit of the cluster concept in upgrading the working concept of the MSMEs, and felt that lean concept is very much needed to be induced in the MSME sector and cited the example of few industrial estates which have been benefited by introducing the lean concept.

Shri Alapan Bandyopadhyay in his speech briefed about the various steps taken by the State Government

in increasing the export of MSMEs and informed the Commissioner of Industries exclusively looking into facilitating the implementation of Government initiatives for the removal of hindrance to the growth of export. Shri Bandyopadhyay felt that the Government alone cannot be the fulcrum of MSMEs and emphasised that MSMEs to make the best use of Government portals specially created for the development of MSMEs in the State.

Shri Bandyopadhyay further added that federations like FOSMI has great role to play in understanding the requirement of MSMEs and to have continuous interaction with the state authorities in resolving the issues and assured to render full support to FOSMI in case they are having any issue pertaining to MSMEs. Shri Bandyopadhyay also has felt that development of women entrepreneurs should be encouraged. Shri Bandyopadhyay at the end invited FOSMI to closely work with his department.

Shri Aloke Mookherjee summarised the deliberations of various speakers of the session and there was a lively QA session at the end. It was a very useful session for the members as it unfolded much information before the members.

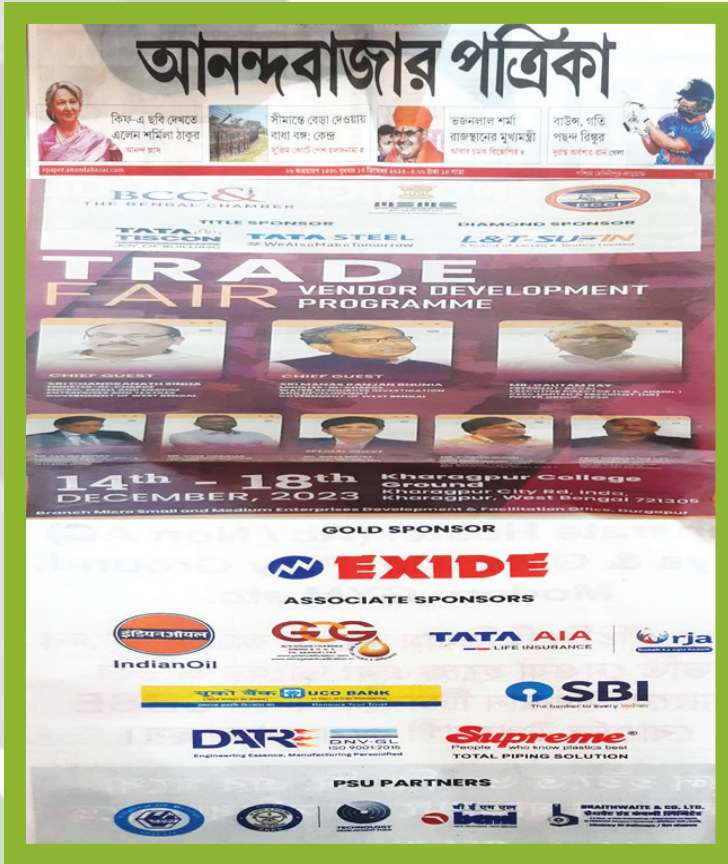

The seminar session ended with the vote of thanks by Shri Gautam Ray, Vice-President FOSMI.

FOSMI Picnic 2017

This year, the annual FOSMI picnic was held on January 26 at Lions' Safari Park, Rabindra Sarobar, Kolkata. The annual picnic is of immense importance as it not only gives full entertainment to all the members of the Federation and guests, but also aims at developing and fostering fellowship. The day-long programme was packed with fun, frolic, music and games to entertain participants in all age groups along with their family and friends. Friends of MSMEs from the academia, government, financial institutes, etc also took part in the activities, which enriched the programme. The event was a great success. The extent of enjoyment by the two hundred strong participants was reflected in their demand for the event in the subsequent year.

Dear Mr. Ghosh,

**The Bengal Chamber Award for
Excellence in Manufacturing Practices of MSMEs**
held on Wednesday, 21st November 2012

Just a few lines to thank you for being with us in our fifth edition of the annual "The Bengal Chamber Award for Excellence in Manufacturing Practices of MSMEs" held on Wednesday, 21st November 2012 at Williamson Major Hall, The Bengal Chamber of Commerce and Industry.

Your presence, support and kind participation made this an event most memorable for all of us. In the span of half a decade, with your involvement, this event has actually transformed into a movement which provides the relevant forum for MSMEs to benchmark themselves against best manufacturing practices.

The Business Standard dated Tuesday, 27th November 2012 carries a half page advertorial with the programme details and photos of the winners (copy attached).

We hope that with your continued participation we can take this programme to even greater heights.

With kind regards,

M. S.

कोलकाता मेट्रो

नए कानून से ग्राहकों को नुकसान

अब दो साल में होंगे
यन्त्रों की जांच

कोलकाता, द इस्टर्न रिजनल लीगल
मेट्रोलाजी लाइसेंस वेंचरफेयर

एसोसिएशन ने
कहा है कि माप
यन्त्रों की जांच एक
साल के बजाय दो
साल में कराए जाने
की घोषणा से
लाखों ग्राहकों को

भारी नुकसान का सामना करना
पड़ेगा। एसोसिएशन के विरोध के
बलते वर्ष 2004 में लोकसभा में
मरा बिल संख्या 29 व 30 को
सरकार को वापस लेना पड़ा था।

सरकार ने लीगल बिल 2009 को
दोबारा लागू करने की घोषणा की है
जो ग्राहकों के हितों में नहीं है।

यह आरोप एसोसिएशन के
महासचिव सुप्रिय घोष ने शुक्रवार को
संवाददाता सम्मेलन में लगाया। बिल
की कमियों के बारे में घोष ने कहा
कि विभिन्न माप यंत्रों जैसे आम बज्रन
मशीन, धीन स्केल, काउंटर मशीन,
टैंक लॉरी आदि की जांच एक साल
के अंतराल पर होती थी। लंबे समय
तक मशीनों से जांच (वजन) के
दौरान उनमें दूट-फूट व कम
(वजन) आने का खामियाजा आम
ग्राहकों को भुगतना पड़ेगा। घोष ने
कहा कि एसोसिएशन सरकार के इस
निर्णय का विरोध करता है।

ক্ষুদ্র ও মাঝারি শিল্পে সব রকমের সহযোগিতার আশ্বাস শিল্পমন্ত্রীর

নিজস্ব প্রতিনিধি— বিশ্বায়নের যুগেও ক্ষুদ্র ও মাঝারি শিল্পের প্রয়োজনীয়তা রয়েছে। ক্ষুদ্র ও মাঝারি শিল্প সংস্থাকে উৎসাহিত করতে বেঙ্গল চেম্বার অব কমার্সের পক্ষ থেকে পুরস্কার দেওয়া হয়। বুধবার বেঙ্গল চেম্বার অব কমার্সের হলে রাজ্যের শিল্পমন্ত্রী পার্থ চট্টোপাধ্যায় বৈশিষ্ট্য কয়েকটি ক্ষুদ্র ও মাঝারি শিল্প সংস্থার হাতে চেম্বার অব কমার্সের পক্ষ থেকে পুরস্কার তুলে দেন। কর্মসংস্থানের ক্ষেত্রে ক্ষুদ্র ও মাঝারি শিল্প সংস্থার অবদান রয়েছে। এদিন সকাল দশটায় চেম্বার অব কমার্সের হলে অনুষ্ঠান শুরু হয়।

শিল্পপতিদের সঙ্গে শিল্পমন্ত্রী পার্থ চট্টোপাধ্যায়। ছবি— শুভদীপ রায়।

রাজ্য মন্ত্রিসভার সম্প্রসারণের জন্য সকালে আসতে পারেননি শিল্পমন্ত্রী। বড় শিল্পের উন্নয়ন ও অগ্রগতির ক্ষেত্রে ক্ষুদ্র ও মাঝারি শিল্পের প্রয়োজন রয়েছে বলে একাধিক বক্তা তাঁদের ভাষণে জানান। বেঙ্গল চেম্বার অব কমার্সের সভাপতি কমলেন দত্ত ক্ষুদ্র ও মাঝারি শিল্পে সরকারি সহযোগিতার কথা বলেন। তিনি আরও বলেন, সরকার ল্যান্ড ব্যাঙ্ক-এর কথা ঘোষণা করুক। এতে ক্ষুদ্র ও মাঝারি শিল্পদ্যোগীরা উপকৃত হবেন।

পুরস্কার বিতরণ অনুষ্ঠানে উপস্থিত রাজ্যের শিল্পমন্ত্রী পার্থ চট্টোপাধ্যায় বলেন, ক্ষুদ্র এবং মাঝারি শিল্পে এখনও পর্যন্ত বহু মানুষ উপকৃত হয়েছেন। বহু লক্ষাধিক অনুমোদিত ক্ষুদ্র ও মাঝারি শিল্প সংস্থাকে সরকারি সহায়তা দেওয়া হয়েছে। বিশ্বজনীন মার্কেটের জন্য ৫০ একর জমি চিহ্নিত করা হয়েছে। ক্ষুদ্র ও মাঝারি শিল্পে আরও সরকারি সহায়তা দেওয়া হবে বলে এদিন শিল্পমন্ত্রী জানান।

लीगल मेट्रोलॉजी कानून का मसला

एफएएसएसआई प्रतिनिधिमंडल ने केंद्रीय कानून मंत्री को ज्ञापन सौंपा

डॉ शूलपाणि सिंह दिल्ली चैप्टर के अध्यक्ष मनोनीत

कोलकाता/नयी दिल्ली: शनिवार की शाम एफएएसएसआई प्रतिनिधिमंडल ने केंद्रीय कानून मंत्री अर्जुन राम मेघवाल से मिल कर एक ज्ञापन सौंपा और लीगल मेट्रोलॉजी कानून के समावेशन व कानूनी बदलाव के बारे में चर्चा की। प्रतिनिधियों में निवर्तमान अध्यक्ष केवी शेखर राजू, राष्ट्रीय उपाध्यक्ष सेलेश्वर पांडा, एनएसी मंबर सुप्रिया घोष, एफएएसएसआई के दिल्ली चैप्टर के अध्यक्ष डॉ शूलपाणि सिंह भी शामिल थे।

उल्लेखनीय है कि भारत सरकार के प्रायोजन के तहत वर्ष 1959 में भारत के छोटे उद्योगों के संघों का एक संघ स्थापित किया गया था। इससे पहले 1955 में तत्कालीन प्रधान मंत्री पंडित जवाहरलाल नेहरू के निमंत्रण पर यूएसए से फोर्ड फाउंडेशन की टीम ने भारत का दौरा किया था। तदनुसार एफएएसएसआई की स्थापना वर्ष 1959 में सूक्ष्म, लघु, ग्रामीण और

कूटीर उद्यमों के लिए एक सर्वोच्च निकाय के रूप में की गई थी। इसके प्रधान कार्यालय भवन का उद्घाटन भारत के तत्कालीन राष्ट्रपति डॉ. एस. राधाकृष्णन ने वर्ष 1963 में किया था। एफएएसएसआई की सूक्ष्म और लघु उद्यमों से जुड़ी सभी

समितियों में प्रतिनिधित्व दिया जाता है। समिति ने 16 जून को डॉ. उदय चंद्र सुवर्णा, राष्ट्रीय अध्यक्ष, श्री सेलेश्वर पांडा, राष्ट्रीय वरिष्ठ उपाध्यक्ष की उपस्थिति में शूलपाणि सिंह को संगठन के दिल्ली चैप्टर का अध्यक्ष मनोनीत किया।

55th Annual General Meeting

The 55th Annual General Meeting of the Federation along with a Seminar on Opportunities for MSMEs in West Bengal was held on August 30, 2018 at The Park, Kolkata. Mr. Sudhan Pande, Hon'ble Minister, Commerce Affairs and Self Help Groups, Government of West Bengal graced the occasion as chief guest and Mr. Arup Roy, Hon'ble Minister, Co-operation, Government of West Bengal participated in the programme, besides the guests of the Federation, representatives of MSMEs, members of the print & electronic media and members of FOSMI.

welcome address by President Binod Nath Bhattacharya. Mr. Bhattacharya mentioned that while MSMEs were recognized as the backbone of the economy and while globalization has thrown open opportunities to MSMEs to expand their horizons, it had, at the same time, thrown challenges to them to compete with the best in the world and that to meet

the requirements of the situation, the MSMEs needed full support from all quarters. He mentioned that one of the main hindrances in the path of growth of MSMEs was the various complicated procedures they had to cope with to do business. He, however, also acknowledged the Government's positive approach to remove the hurdles by way of installing measures to ensure ease of doing business by MSMEs. He spoke about the evolution of Indian MSMEs from being producers of simple consumer goods to becoming manufacturers of sophisticated, high-tech, high precision products over the years, capable of successfully competing in the global market. In his opinion, more opportunities would be available to entrepreneurs belonging to the MSME sector, if they are willing to change their old

mindset and adopt modern methods of organisation and management. In conclusion, he referred to the seminar on Opportunities for MSMEs in West Bengal to be held in the second session of the programme. Eminent personalities from business, academia and Government were the panelists. He expressed hope that the members could be able to take away much from the seminar.

Mr. Arup Roy commended the work of FOSMI over the years. It was doing for the MSME sector and confirmed for the Government's full support for the development of this sector in the State. Mr. Sudhan Pande also praised FOSMI's dedication in serving the MSME sector for years. While speaking about the various problems faced by MSMEs, he pointed out that MSMEs lacked a

Vision

Our vision is to become the recognized industry leader by our customers in the Storage Tank Calibration businesses in which we compete.

Mission

We are trying to keep our old goodwill and maintain customer satisfaction and to serve our society and social development at large. We have gradually designed, developed and offered an extensive array of Electronic Weighing Scales which are high in performance durable in quality and gives optimal output to the clients in weighing scale line of activity.

In Storage Tank Calibration Work our Mission / Goal for modernization (subject to weights & measure Department approval). We have already introduced safe laser beam measurement & latest laser distance ranging and optical triangulation technology for higher accuracy. At the same time we have done ISO Certification and we will try to acquire all India license for all states in India in our activity.

Our Journey

In 1874, M/s. Girish Chandra Ghosh (Currently M/s. Girish Chandra Ghosh & G.G.S.) has started his business M/s. Girish Chandra Ghosh, Manufacturer, Seller & Service provider of beam Scale (Class-B.C.D) in British period. We have introduced ourselves as a Govt. approved storage Tank calibrator also & we have been working successfully during past long years throughout the India & Abroad. Our product quality and our decided service satisfies the various level of our society, such as National & Multinational companies, Govt. sectors in India as well as common people of our surroundings. We undertake tank calibration, inspection, ultrasonic testing, tank settlement and tilt survey

We are known as '**Girish Chandra Ghosh & G.G.S.**' Formerly **Girish Chandra Ghosh (ESTD 1874)**. Over the years, **Bengal's Heritage Company**. Our Product has been kept for display in the Govt. Industrial & Commercial Museum, Kolkata West Bengal India.

We have earned a strong reputation as leading providers of **Tank Calibration Systems**. **Approved License holder of Legal Metrology Department (Weights & Measure)** **Approved Govt. Licensed Calibrator/Repairer of Petroleum, Petrochemicals, Chemical, Oil & Gas, Other Liquid Storage Tanks/Bulk Flow Meter/ Weighing & Measuring Solution.**

Manufacturer/Repairer of Weighing Scales Service & Supply/ Model approved by Govt. of India and Complete Weighing Solution, Liquor Measure. Flow Meter Calibration.) / NDT Inspection,/Pipeline UST/P& ID Diagram /Roundness Settlement/Survey in INDIA & ABROAD.

We offer storage tank calibration/gauging services to industries like Wineries, Distilleries, Sugar Factories, Oil & Gas, Refineries, Petrochemicals, Chemical, Pharmaceutical, and Dairy with valid government licenses from the Director of Legal Metrology Weights and Measures Department state wise in India.

We've been taking care of Clients and businesses around here for 150 years now—since 1874!

Needless to say, there are very few companies who have been around for that long. That only happens when you've had the fortitude and commitment to get through tough times—and you have many loyal and reputed customers, as we do.

Throughout the year, we're going to be celebrating our 150th anniversary by holding special events and promotions for our customers and the community. Please follow us on our Social Media and Company website for more information www.girishcalibration.com/ www.storagetankcalibration.in

Many thanks for your loyalty and trust in us over the years!

Thank you for putting your trust and confidence in our company.
